Natures Point is one of the few facilities which allow you to bring in your own alcohol, saving you thousands of dollars on your reception. If you provide the alcohol you must purchase the Bar Package from Natures Point.

Bar Package:

The Bar Package includes a bartender and items listed below for 4 hours. The bartender will set up the bar and serve the guest. To avoid over consumption, the bartender will have full discretion in the amount served to Lessee and their guest. At the conclusion of the event the bartender will box up any remaining alcohol and give it to the wedding coordinator. Once all guests have departed, the alcohol will be returned to the Lessee or designee. You must be 21 or older to consume alcohol on the premises.

*Kegs will not be permitted
